

Pristine® Cakes

Clean labels are the icing on the cake

- ▶ Clean label cake mixes and icings
- ▶ Vanilla and Chocolate flavors
- ▶ Consumer-pleasing ingredients

Why settle for a small slice of the cake market? Offer consumers what they want – tasty cakes with cleaner labels – and celebrate big success!

It's easy to get the party started.

Corbion's new Pristine Cake mixes and bases are available in vanilla and chocolate. Consumers will like what they see in the store – beautiful cakes with simpler ingredients and shorter labels. They'll love what they see at home – family and friends enjoying every bite.

Paired with Corbion's clean label icing stabilizers, these delicious cakes rise to any occasion, whether it's a birthday, anniversary, graduation or simply dessert.

You take the cake

You know what customers want – and you deliver. With Pristine cake products, you're able to:

- ▶ Satisfy consumer demands for simplified, cleaner ingredient declarations
- ▶ Enhance the quality and consistency of cake batter throughout the production process
- ▶ Improve your bottom line by offering premium products that satisfy consumer demand for friendly ingredients.
- ▶ Easy to use

“
Corbion makes it easy to provide the baked goods consumers crave with simpler ingredients and cleaner labels. Pristine is a great choice for great cakes!

Pristine® Cakes

Clean labels are the icing on the cake

Consumers expect food producers to give them what they want. It's a must-do for business survival. Corbion has been partnering with customers for years to develop formulas free of unwanted ingredients. Our application team and technical services group work together with you to develop and implement clean-label formulas that are right for you and desired by consumers.
